■ AI Summary & Feedback

Here's an analysis of the YouTube comments:

1. A concise summary of main opinions:

Listeners are overwhelmingly grateful for the podcast, finding it a significant source of emotional uplift, courage, and hope. Many credit it with improving their mood, energy, and overall day, often describing it as a "therapy session" or a "gentle reminder" about the practical nature of positivity. The podcast reaches a wide international audience, with listeners from numerous countries expressing deep appreciation for its calming delivery and inspiring content. A recurring strong desire is for the podcast to be available on Spotify.

2. The overall sentiment:

Overwhelmingly Positive.

3. The most repeated phrases or ideas:

- * **"Thank you"** (and variations like "thank you so much," "thanks for this").
- * **"Lifts my mood" / "Makes my day"** (and related ideas such as "feel better," "changes my day," "heals," "inspiring and motivating").
- * The idea that **"positivity is a practice, not a feeling"** (and related concepts of gratitude, being gentle with oneself, and taking small steps).
- * Requests for the podcast to be available on **Spotify**.
- * The widespread **international audience** (many comments explicitly mention countries).

4. Actionable feedback to improve the next video:

- * **Prioritize Spotify Availability:** Address the numerous requests for the podcast to be on Spotify. If it's not possible immediately, provide a clear explanation or a timeline for when it might be.
- * **Continue Emphasizing "Positivity as Practice":** The audience deeply connects with the message that positivity is a learned habit, not an innate trait. Develop this theme further with specific, gentle strategies.
- * **Acknowledge Global Reach:** Continue to engage with and acknowledge the diverse international audience. Perhaps a brief shout-out to a few mentioned countries in the video intro or outro, or a dedicated comment acknowledging listeners worldwide.
- * **Address English Level in Description:** Given that the English learning level was asked twice, clearly state the target English proficiency level (e.g., "A2-B1 level English learners") in the video description of future podcasts.
- * **Consider Sharing Background Music Details:** One listener asked for the background music link. If applicable and licensed, providing this information in the description could be

a thoughtful addition.
